

2006-07 SDHC Policies

From: Vernon Korhn, Director of Athletics for the School District of Hillsborough County (SDHC):

Mouthpiece Rules:

"Mouthpieces are required at all times. Should a player be noticed NOT wearing a mouthpiece properly, the official(s) shall direct the player to leave the game until the next allowable substitution opportunity."

This means NO warnings. If the mouthpiece is in their sock or hanging out of their mouth, send the player to the bench. Do not give warnings for not adhering to this policy. Please mention this policy in your pre-game conference with the coaches and captains.

This is a policy of the School District of Hillsborough County High Schools and Middle Schools and does not apply to Pasco County schools or private schools in Hillsborough County.

Unsportsmanlike Conduct:

General Unsportsmanlike Conduct includes profanity and results in the immediate ejection of a player or coach.
