

Selection Procedure of Officials for Playoffs

Selection Procedure

- A. Recommendation Committee will determine all eligible officials based on the eligibility requirements of the FHSAA and the WCOA.
- B. Recommendation Committee will draft the maximum number of crews possible from qualified officials available at each position based on all available information.
- C. Crews will be formed based on strength, with crew integrity taken into consideration as much as possible for crews 1-3.
- D. Eligible officials not selected on crews will be assigned as ECO's and replacements for primary crew members in case of emergency.
- E. Crews 1-3 will be submitted to the state in order drawn from lottery.
Crews 4+ are set by the recommendation committee.
- F. Members of a state final will not be permitted to be higher than crew #4 the first year after a state final game and will not be permitted to be on the #1 crew until the association has sent another crew to a final game.
