

Measurement Mechanics (4 Man)

Measurement Mechanics (4 Man)

Referee

1. Take a position near the ball facing the chains.
2. When the chains are stretched decide:
 - a. **First Down:**
 1. Give the first down signal.
 2. Have the Umpire spot the ball at the proper inbounds spot.
 3. Wait until the chains are reset.
 4. Wind the clock, if the measurement stopped the clock.
 - b. **Not a First Down:**
 1. Signal as such.
 2. Pinch the chain and take the ball to the proper inbounds spot.
 3. Wait until the chains are reset.
 4. Don't forget to wind the clock, if the measurement stopped the clock.

Umpire

1. Take a position near the ball facing the Referee.
2. Take the front pole and stretch it.
3. Wait for the Referee's decision:
 - a. **First Down:**
 1. Move to the inbounds spot and spot the ball.
 2. Stand over the ball until the chains are set.
 3. Then, retreat to your normal position.
 - a. **Not a First Down:**
 1. Wait for the Referee to give signal.
 2. Take the front stake to the inbounds spot and stretch it.
 3. Let the Referee spot the ball on his mark.
 4. Stand over the ball until the chains are reset.
 5. Then, retreat to your normal position.

Line Judge

1. Take a position behind the ball on the yard line that the clip is on.
2. This should be the yard line furthest from the ball, if it is not, move to the yard line it is on.
3. Align the Linesman with the ball so measurement is accurate.
4. The Linesman will put the chain on your mark.
5. After the measurement, regardless of the outcome, return to normal duties.

Linesman

1. Retreat to the chains and secure the clip (it should be on the farthest yard line from the ball).
2. Bring the chains onto the field.
3. Do not rush or get flamboyant, this only leads to a mistake.
4. Taking your mark from the Line Judge, place the clip on the line marker and say "Ready".
5. **If a first down:**
 - a. Release the chains and return to the sideline, giving a heel for the box man.
 - b. Then, return to normal duties.
6. **If not a first down:**
 - a. Wait for the Referee to give signal.
 - b. Take the clip to the inbounds spot on the same yard line and say "Ready".
 - c. Wait for the Referee to spot the ball.
 - d. Return to the sideline and reset the clip on the proper yard line and say "Ready".
 - e. Then, return to normal duties.
