Agenda

WCOA Summer Training Basketball Camp June 12 – 14th @ USF

Very pleased with the number of officials who responded and participated in the program...We have grow from 100 officials to over 250. The training was designed to re-acclimate the members with how we function as an Association.

80 attended 40 excused themselves 100-125 ???

Disappointed with those who did not respond to our request. But those are the same officials who will not show up to the half day clinic in October and they will wonder why they do not receive games/promotions.

But I am preaching to the choir. I thank you guys for being her.

That's all I am going to say.
